The cover art for The Last of Us Part II Remastered features a large, close-up profile of Ellie looking off to the side with a somber expression. In the background, a cityscape is visible under a cloudy sky, with a large, circular, metallic structure resembling a Ferris wheel or a large wheel. In the bottom right corner, there is a smaller inset image of Joel running through a dark, rainy street, holding a rifle.

The cover art for Silent Hill 2 features a large, ethereal, and slightly translucent face of a woman with brown hair, looking upwards and to the right. This face is superimposed over a misty, foggy street scene. In the foreground, a man in a dark jacket and pants is seen from behind, walking away from the viewer down the wet, reflective street. The street is lined with buildings and a few parked cars in the distance, all shrouded in a thick, atmospheric fog. The title 'SILENT HILL 2' is written in a large, white, stylized font with a distressed, hand-painted appearance, positioned across the middle of the image.

The cover art for Oddworld Soulstorm features a fiery, apocalyptic background. At the top, four grotesque, multi-eyed faces with sharp teeth and red eyes are shown. In the center, the title "ODDWORLD SOULSTORM" is written in a stylized, gothic font. Below the title, a green-skinned character with large yellow eyes and a small mustache is shown in a dynamic pose, holding a glowing object. In the bottom left corner, there is a PEGI 16 rating box. In the bottom right corner, there are two logos: a circular one with a stylized figure and a green square one with a stylized 'M'.
